

ITCS Group Announces New Office Relocation in Marunouchi, Tokyo's Key Business District

(Singapore, 1st September 2022) ITCS Group is pleased to announce that our Japan team has relocated to a new office in the WeWork Marunouchi Kitaguchi building in Tokyo on Thursday 1st September 2022 for a more flexible environment and enriched experience for our team and clients. The co-working space is one of the 3 largest WeWork buildings among the 26 in Tokyo.

Located in the heart of Tokyo's vibrant business district Marunouchi, our office is next to Tokyo station, which makes it more easily accessible to meet with clients and better supports our mission of providing the best experience possible for them.

“This relocation is an exciting step for us as we continue to grow and expand our business. The move has been planned with scalability in mind, and we believe it will help us streamline our operations and act as a foundation for our growth initiatives moving forward”, said **Daniel Kolbe, Founder and Group CEO of ITCS Group.**

The new location will provide a more spacious, comfortable, and functional work environment and a complete set of amenities, fostering creativity, collaboration, productivity, and efficiency. To embark on our new journey, our Japan team held an office warming party in the new energetic and dynamic space. We look forward to growing in this new space, and we hope it will help us continue to provide excellent service to our clients.

Effective as of Thursday September 1st 2022, the new office address for ITCS Group's Japan Office is as below. The contact and fax number remain unchanged.
