

ITCS Group Announces New Office Relocation in Shenton Way, The Wall Street of Singapore

(Singapore, 1st November 2022) ITCS Group is delighted to announce that our Singapore team has relocated its headquarters to a new location in the premium serviced office tower, Collyer Quay, on Tuesday 1st November. Located in the central business district of Shenton Way in Singapore, the grade A building provides the perfect setting for ITCS Group's expanded presence and headquarters in the city-state to move forward confidently.

The new prime location is within walking distance of the key transportation hub Raffles Place MRT station. With an impressive range of on-site services and an extensive range of facilities available, Collyer Quay is designed with the needs of professionals in mind, allowing for increased capacity and several functions that will improve in-house productivity and collaboration.

"We are delighted to play an even more prominent role in this dynamic city by moving into our new premises. The move comes as part of a larger strategy by ITCS' leadership to expand our operations and increase our visibility in the IT Consulting industry", said **Daniel Kolbe, Founder and Group CEO of ITCS Group**.

To celebrate our new space, our Singapore team held an office warming party, fostering the sense of community that is central to our culture. A significant step forward in our mission, we look forward to seeing what this change brings us.

Effective Tuesday 1st November, 2022, the new office address for ITCS Group's Singapore Office is as below. The contact and fax number remain unchanged.
